

Covington Water District
Rate Table I - Water Rates
Effective January 1, 2025 Billing

Total Water Bill = Consumption Charge (Section I) plus Flat Rate Meter Charge (Section II)

I. Consumption Charges (Water Use)

Low Volume System Demand (Winter Rates) are effective October 1 - May 31 and High Volume System Demand (Summer Rates) are effective June 1 - September 30. The high/low volume (seasonal) charges only apply to Blocks 3 and 4. All Accounts Are Billed for the Consumption Charges and the Applicable Flat Rate Meter Charge in Section II.

1ccf = 100 cubic feet = 748 gallons
