

WAC 197-11-970 Determination of Nonsignificance (DNS)

Description of Proposal: The project involves 3,300 LF of 12" water main install that will tie two existing water mains together to provide fire flow to the area.

Proponent: Covington Water District.

The property is located at 148xx SE 288th St. It is in the Quarter NW, Section 2, Township 21, Range 5, in Unincorporated King County, Washington.

Lead Agency: Covington Water District

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c) . This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

The DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 14 days from the date below. Comments must be submitted by October 15, 2021.
