Covington WATER DISTRICT

Covington Water District
is improving your customer experience by providing easier access with a new payment portal and a new development-water availability letter portal.

Applying for Water Availability and Developer Agreements just got easier!

No need to mail or commute, you can do it all online through our permit tracking system.

How to Apply ONLINE:

✓ Click 'Citizen Connect'

✓ Sign in or Register

✓ To begin you will need a parcel number and address or general location.

Contact us via email at notify.engineering@covingtonwater.com with questions
